Thank you for entering the 2017 APS Myall Lakes Rally and the 2017 Myall Lakes Introductory Rally. This event is the third round of the Techworkz Development Rally Series and the third round of the Premier Panel Beating Hyundai Rally Series.

We would like to say a very big thank you to our major sponsor – APS AUTOMATIC TRANSMISSION & POWER STEERING SPECIALISTS. Phil Griffin, owner of APS has been a long time sponsor of the event and member of NDDC and we thank him especially for his dedication to the event, our club and the sport over the years.

Thank you also to Bob Davies from Williams and Wood Auto Repairs who has kindly donated money to cover the cost of the food provided to all our officials and volunteers.

We hope you enjoy the event and see you at the Bulahdelah Bowling Club for the presentation once the last car has finished.

From the Event Organising Team:

Richard Houghton, Adriana Pallister and Dave Watson.

Rally Headquarters:

Rally Headquarters is located in the Swimming Pool Complex at the Bulahdelah Showground. Entry to the parking area is via Prince Street.

Servicing:

All servicing will take place at the Service Park, located at Bulahdelah Showground, 19 Princes Street, Bulahdelah.

There is NO pump fuel available at the Service Park. Competitors will need to provide their own fuel supply. Pump fuel is available on Bulahdelah Way.

During refuelling please ensure no fuel spills onto the ground and the same applies to oils and coolants. Remember - safety is important so be careful when working under a car and no smoking near any refuelling.

Please take all your rubbish with you and leave the area nice and clean so that we are invited back next year.
